Professional Summary

Computer Science Engineering student with a foundation in Java, Python, Data Structures and Algorithms, SQL, and web development. Experienced in building practical software projects using OpenCV, MySQL, JavaScript, and APIs. Strong problem-solving and teamwork skills with an ability to learn new technologies quickly and contribute to reliable and user-focused software solutions.

Skills

Programming Language:	Java, Python, C
Computer science:	Object-Oriented Programming, Data Structure & Algorithms, Problem Solving
Web Technologies:	HTML, CSS, JavaScript
Database:	MySQL, MongoDB, SQL
Computer Vision:	OpenCV, Facial Recognition
Tools & API's:	Git, GitHub, VS Code, TomTom API
Soft – Skills:	Teamwork, Learning Agility, Problem solving, Time Management, Adaptability

Projects

Face Recognition Attendance System — Python, OpenCV, MYSQL, Computer Vision Aug 2025 – Nov 2025

- Reduced manual attendance work by automating the attendance process and Save time daily 10-15 min of class attendance.
- Developed the application using Python and OpenCV for image processing and facial recognition.
- Designed a MySQL database to store student and attendance information for 100+ records.
- Connected the recognition process with database operations to create an end-to-end application

SmartPath Security Dashboard (A.M.A.R.I.) — HTML, CSS, JavaScript, MySQL, TomTom API Mar 2026 – Apr 2026

- Developed a responsive web dashboard for location-based safety and emergency assistance.
- Integrated the TomTom API to identify and display nearby emergency services using location coordinates.
- Implemented live weather information, automated SOS functionality, and Safe Spot data storage.
- Combined frontend development, API integration, location, and database components into one web application.

Education

Bachelor of Technology (B.Tech) – Computer Science Engineering 2023 - Present
Dr. A. P. J. Abdul Kalam Technical University, Lucknow

Higher Secondary School (12th) 2023
Shri Bhawarpal singh kanya Inter College, Akalpur

Certifications

- Introduction to AI — Google(Coursera) , 2026
- Maximize Productivity With AI Tools — Google(Coursera), 2026
